AMERICA'S OLDEST CONTINUOUSLY OPERATING COMMUNITY THEATRE

June 2019

CELEBRATING 100 YEARS

1919 - 2019

ROALD DAHL'S  
**Matilda**  
THE MUSICAL

Matilda is a little girl with astonishing wit and intelligence who dreams of a better life. She's unloved by her cruel parents but impresses her schoolteacher, the highly lovable Miss Honey. Despite a mean headmistress, Miss Trunchbull, and older school kids who like to torment the younger students, Matilda uses her courage and cleverness to save not only herself but soon becomes her fellow students' saving grace!

In the coveted role of Matilda, Town is pleased to showcase both Juliet Gregg (*Willy Wonka*) and Town newcomer, Louise Vipperman. Tormenting Matilda in the home are her parents, Mr. & Mrs. Wormwood, portrayed by the duo of Scott Vaughan (*Joseph...*, *Willy Wonka*) and Megan Douthitt (*Mary Poppins*, *Tammy Wynette*). Billy Bishop (*The Buddy Holly Story*) adds to Matilda's troubled times in the role of Miss Trunchbull. Sensing that Matilda is special and wanting to foster her love for learning is Jerryana Williams-Bibiloni (*West Side Story*) as Miss Honey. Corey Langley (*Beauty and the Beast*) also lends a kind hand as the librarian who adores sharing in Matilda's stories.

Adding life to this show are our "revolting children" who share time on stage. We're happy to feature Alex Auld, Blaize Berry, Kyran Burkett, Madison Butler, Kendall Collins, Sadie Douthitt, Zachary Hammond, Ned Helmboldt, Nathan Jackson, Micheal Kawooya, TJ Leitzsey, Henry Melkomian, Emma Ann Parsons, Kaelin Pilkington, Denver Praytor, Sarah Helen Russell, Addison Sanders, Anna Claire Sanders and Sadie Wiskes.

Packed with high-energy dance numbers, catchy songs and quick wit, *Matilda* is a delightful production that will speak to the kid in all of us! Come be thrilled by the story of the special little girl with an extraordinary imagination who is LIMITLESS!

## BEYOND THE STAGE...

Town Theatre is proud to partner with FACES ~ Foreign Academic & Cultural Exchanges Services ~ to assist with a special project taking our acting chops into a classroom setting. FACES works with teachers from other countries to help them succeed in the academic arena of the United States. As one might imagine, the classroom setting in America is quite different. Teachers from other countries often encounter situations that they are not used to seeing in their home country. FACES reached out to our Town Theatre to see how we might help and we knew that many of our Town Teen Troupe actors would be perfect for the job! At the end of July, these actors will role play classroom scenarios that showcase issues that FACES teachers might see. The action will “freeze” while a moderator addresses ways in which teachers might handle these scenarios.

We are so proud of our youth theatre program and delighted to have this very special opportunity to use our stage skills in a way that will bring such value to academia.

## FACTS ABOUT FACES...

\*FACES is a Columbia-based company that recruits foreign teachers for South Carolina schools K-12.

\*FACES recruits international teachers, evaluates their credentials for appropriate experience and certification requirements and then provides the selected teachers for possible selection by local South Carolina districts who are seeking teachers for the cultural enrichment opportunities for the school.

\*Before leaving for the school, FACES provides an intensive staff development program to prepare the teachers for their role in an American classroom.

\*FACES is unique for providing training in academic subjects and classroom management before they report to school.
