Imagine stepping into a world where the stage is your playground, the spotlight is yours to command and music fills the air. With our Rock the Stage summer camp, here is your chance to become all out rock stars! This dynamic youth theatre workshop offers students the chance to learn to play a musical instrument, develop stage presence and perform as part of a real rock band. Students will work as a team during the initial week of camp. Check ins will be scheduled throughout the summer with small groups. Then, the students will return for one final “mic check” on Thursday, August 7 (from 4 PM to 7 PM) before their showcase on Friday, August 8 at 7 PM. Upon enrollment, students will receive a questionnaire to answer in advance so our faculty will be ready to start rocking out on the very first day! No instrument experience is necessary - just a willingness to learn! This workshop will be led by Julia Turner, Richland One's 2024-2025 Induction Teacher of the Year from AC Moore and Brandon Johnson, Director of Bands at Irmo High School.

A typical day at Triple Threat includes group warmups followed by small group work in tap, musical theatre dance, voice work and scene study.
